Parent/Guardian Consent Form (CERDEP Only)**

I verify that the information I have provided on this registration form is true and accurate. I hereby grant permission for this information to be distributed to the Child Early Reading and Development Education Program (CERDEP) and other state agencies, which include, but are not limited to, the South Carolina Education Oversight Committee (EOC).

I understand that my completion of this form does not guarantee the placement of my child in a South Carolina CERDEP. If my child is placed in CERDEP, I agree that he or she will attend the class for 6.5 hours each day, five days a week, for the 180-day school year. I understand that my child's failure to meet this attendance requirement could result in his or her being dropped from the program. I further understand that I cannot register my child in the program without the appropriate documentation of his or her age and eligibility, and I have, therefore, attached to this registration form a copy of the necessary documentation.

I understand that information about my child, _____, and about the school will be used in a comprehensive, multiyear longitudinal research and evaluation project to determine the relationship between the student and school data and student success in school. The evaluation may include individual child assessment during a child's 4-year-old pre-kindergarten and 5-year-old kindergarten and other basic non-identifying educational information. All data collected are subject to the provisions of the Family Educational Rights and Privacy Act (FERPA) as well as South Carolina statutes and regulations protecting individual privacy and confidentiality. Analyses of the data collected will be conducted only by individuals approved by the EOC. Individual student names will not be used.

If your child is not placed in the Child Early Reading and Development Education Program (CERDEP) 4K in your local public school district, please understand that your contact information will be shared with the Office of First Steps to School Readiness and you may be contacted for opportunities for your child to attend the 4K program in a non-public school setting.

- Provide a home environment that encourages my child to do his/her best;
- Provide structured sleeping and eating habits; and
- Attend parent/guardian and teacher conferences.

As a teacher, I, **insert teacher name here**, will strive to:

- Believe that each child can learn and demonstrate a “growth mindset”;

- Provide a safe environment that promotes active hands-on learning;
- Provide frequent communication with newsletters, reports, and telephone calls;
