All participants are expected to attend regularly and for the full instructional day.

Parents/Guardians who want their child and/or children to attend a school outside of their attendance zone, must complete the transfer application and submit it to the Office of Student Services on or before April 29, 2022. Once the application has been processed and a transfer has been granted, a parent/guardian must present the approval letter to the approved school listed for transfer immediately. Please make sure that students are registered at the school in their attendance zoned. The transfer school will request their records.

Decisions on placement for pre-kindergarten will be made at each school after screenings are complete. Children are ranked in order of greatest need for participation based on the Child Early Reading and Development Education Program (CERDEP) guidelines. Placement is not based on a first-come first-served basis, and transferring from one school to another school DOES NOT guarantee placement at the new school.

APPLICATIONS WILL BE ACCEPTED AT THE SCHOOLS LISTED BELOW DURING THE SCHOOL DAY
